Recent Council Actions

The Council approved a minor subdivision at 435 Snail Lake Road. The property will be divided into three parcels. One parcel will maintain the existing home. A second parcel will be a new lot for a future single-family home. The third parcel is a 14.5 foot strip of land that will be divided off and then combined with the property 266 Harbor Lane.

The City Council also awarded the bid for the 2011 Sewer Lining Project to Veit & Company, Inc, in the amount of \$659,884. This project will line nearly 5 miles of sanitary sewer pipe at various locations throughout the City. The bid is approximately 5 percent above the engineer's estimate. This can be attributed to the fluctuating fuel costs. The City's Capital Improvement Plan has \$675,000 allocated for this project.
